Gentlemen whereas by the providence of God I have lately been visited with the Small pox which hath put me to a great Cost and Charges for Nursing Cleansing and other Necessary Expences; whereby it hath rendered it extremely Difficult for me to answer the Demands of M^r Samuel Brittain Constable for what I am ass^gd in the Rates Committed to him to Collect; Wee are therefore to Request that you would be pleas^d to abate the whole or part of ~~the~~ Rates to me; all which is humbly Submitted to your Candid and Charitable Consideration and Determination by your poor petitioner

To the Honorable Senate and House of Representatives in General Court assembled, in Boston on the first Wednesday in January 1842

The Undersigned humbly petition, that they may be set off from the Town of Southborough in the County of Worcester, and annexed to the Town of Marlborough in the County of Middlesex. And to effect this, they pray that the boundary ^{line} between said Towns may be so altered as to run in a straight line from bound "number three" near the house of Barnabas Brigham in said Marlboro' easterly to bound "number five" at Funnecog Bridge (so called) leaving the territory between said strait line and bound "number four" on which the buildings belonging to the subscribers now stand, to the Town of Marlborough.

They would respectfully represent, that while the amount of territory which they desire set to the Town of Marlborough, is small, (eighty two acres and thirty rods) the alteration as prayed for, will be of great benefit and convenience to them, for the following reasons.

1st Should their petition be granted, they will then enjoy the privilege of a School House within one mile and a quarter, whereas the School House in the District to which they ^{now} belong is distant two miles.

2^d Whereas they are now distant three and one half miles from the Post Office in the Town in which they reside, they would by said alteration, be but one and one fourth mile distant from the Post Office in Marlborough.

3^d They would then reside in the Town where, for the last fifteen years they have attended religious worship.

4th The Dwelling House of one of your petitioners is so situated as to be on the Town line, one part thereof being in Marlborough and another part in Southborough, he is desirous that this petition be granted to prevent any question as to his location.

For these foregoing, amongst other reasons, the undersigned humbly pray that the alteration aforesaid may be granted.
